

Move to the cloud with confidence

Webex Calling. Webex Contact Center.

Step into the future with the market leader as your cloud partner.

Webex empowers a more integrated, collaborative work style that provides the agility you need to be competitive in a hyperfast digital economy.

Edge and hybrid services provide flexible pathways to the cloud

Personalized experiences powered by cognitive capabilities and artificial intelligence (AI)

One unified modern experience for end users and IT

Webex Calling: Bridge cloud calling with on-premises systems.

Webex offers enterprises the benefits of cloud innovation today while enabling a smooth cloud migration over time. Webex Calling:

- Connects to your on-premises PBXs
- Delivers a common global dial plan
- Enables a phased transition to the cloud

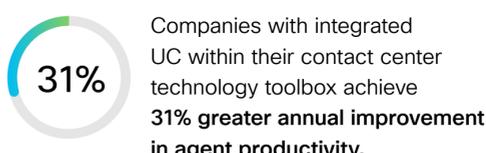

Webex Contact Center: Enrich the customer experience.

Webex Contact Center enables new ways of interacting to enhance both your customers' and your agents' experiences:

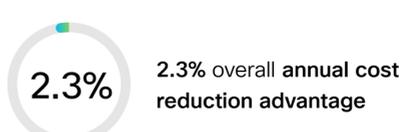

- Faster first-call resolution
- Improved customer satisfaction
- Reduced customer churn

Choose cloud calling and contact center solutions from Webex and achieve:

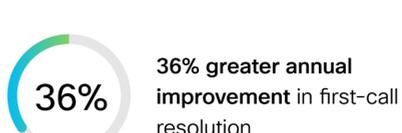

01 Greater profitability

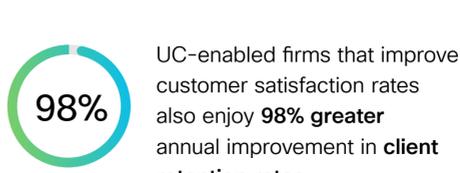

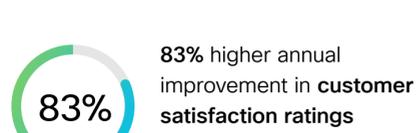

02 Reduced operational costs

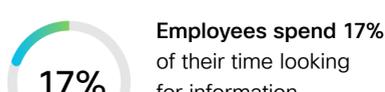

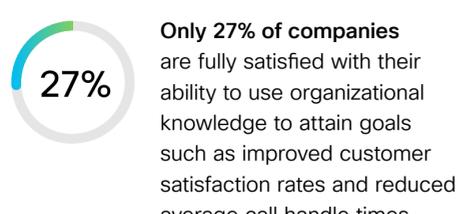

03 Faster, more accurate customer support

04 Increased customer satisfaction

05 Optimized collaboration workflows

Modernize your workplace with future-proof technology from Webex.
